

SOFTWARE DEVELOPER INTERN

Luis Antonio Argüelles González

ABOUT ME

Currently in my last year of university, I'm looking forward to get my hands on experience on real life software development projects. I like reading, going out for a walk, traveling and watching YouTube videos just for chilling out.

EXPERIENCE & PROJECTS

Web developer intern - one2one (React, Express, MySQL)

September - December 2024

- Robot skills award

EDUCATION

Smart networks and Cibersecurity

Universidad Tecnológica de Matamoros (UTM) | 2023 - Currently | Matamoros, Tamaulipas

BUT3 Informatics - App development: conception, development, validation

IUT Paul Sabatier Université Toulouse III | 2023-2024 | Toulouse, France

TSU IT

Universidad Tecnológica de Matamoros (UTM) | 2021-2023 | Matamoros, Tamaulipas

- Robotics team
- French courses

KNOWLEDGE AND SKILLS

Programming languages and DB

Python JavaScript
C++ MongoDB
C# MySQL
Java

Frameworks, libraries & tools

React React Native
Redux HTML, CSS
Express Loop Back
Axios Mongoose
Laravel Tailwind CSS
Git Docker

Hobbies & interests

- Reading
- History
- Politics
- Geopolitics
- Traveling

Languages

- Spanish (native)
- English C1
- French B2
